

Easy-Open Track from Slide-Rite®

Add Strength and Convenience
to your Package with our patent
pending Easy-Open Track (EOT)

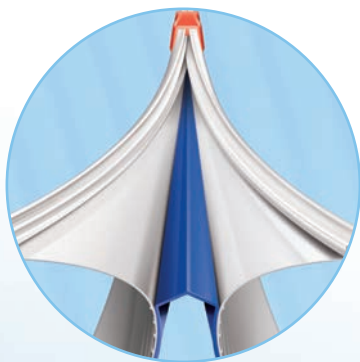

With enough strength to pass the most rigid drop tests and enough
convenience that anyone can open it with ease, Slide-Rite® EOT will
help build brand loyalty with even your toughest customers.

APPLICATIONS

- Pet Food
- Lawn & Garden

Track Specifics

Innovative design stands up to strength
tests and remains easy to open/close.

Total Zipper Technology

Designed for Strength and Convenience

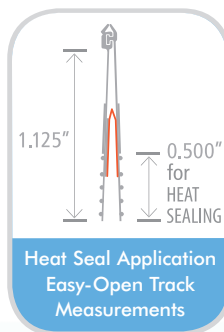

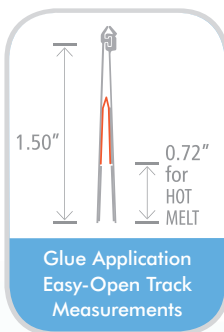

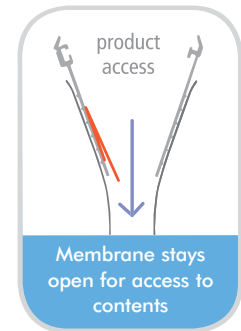

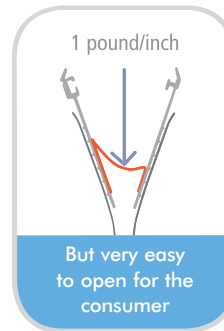

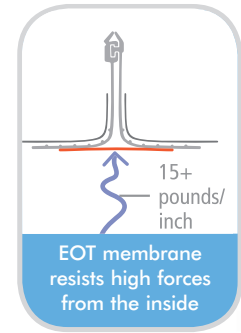

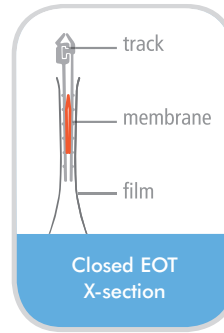

EOT (Easy-Open Track) will help your packaging withstand impacts and reduce damage in shipping, while making a positive impact on your customers. Our slider experience can pay off for you.

Features

- Available for plastic, paper and polywoven structures
- Designed to resist forces from the inside
- Stays open for easy access
- Builds brand loyalty
- Maximum product protection coupled with maximum consumer convenience

Insertion Equipment

- SR-202 inserter models
- Clip end-terminations available
- Compatible with numerous Open-Fill-Seal and manually fed sealing equipment
- Patented Top-Fill Tamper Evident design allows filling around the closure (plastic bag applications only)
- Slider integration technology available as part of OEM machinery or as a retrofit on HFFS and pre-made bag converting equipment

Contact one of our slider sales professionals today, and we'll find a solution for virtually any flexible packaging need.
