

# Ergonomic Slider from Slide-Rite®

## Designed for Hooded Flexible Packages Requiring a Low-Profile Slider

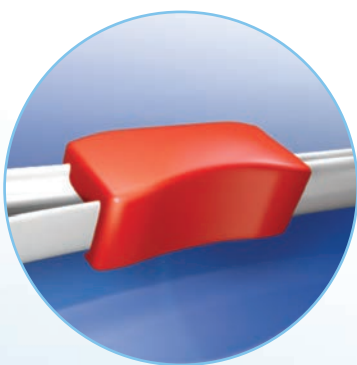

Ergonomic design reduces drag force and makes sliding easy. Patented technology provides consistent closing, and the low profile reduces package film cost by allowing use of a smaller size hood. Smooth design reduces film dimpling. It all adds up to a high-quality product image.

### APPLICATIONS

- Frozen Foods
- Cheese & Dairy
- Dried Fruits & Snacks
- Consumer Household Products
- Deli Meats

## Slider Specifics

Hourglass shape allows better gripping. The smooth edges are great for hooded applications.

Total Zipper Technology

A large image of a blue and white bag of 'Dried CRANBERIES'. The bag features a white zipper with a red ergonomic slider. On top of the bag is a white plate filled with fresh, bright red cranberries and green leaves. The word 'Dried' is written in white above 'CRANBERIES' in large, bold, white letters. At the bottom, the word 'Original' is partially visible in red on a yellow background.

# Designed for Smoother, Low-Profile Packaging

We'll help your product work hard on the shelf and beyond. Our focus on consumer safety and product integrity is unmatched. Put your trust in our innovative Slide-Rite® team. Putting nearly two decades of slider experience to work for your product.

## Features

- Low-profile design for enhanced sealing in hooded packages
- Ergonomic design for easy open/easy close
- Hourglass shape for better gripping
- Technology for smooth, low drag force sliding action
- Smooth design reduces film dimpling

## Insertion Equipment

- SR-T100 inserter models
- Ultrasonic end-terminations possible
- Compatible with numerous Open-Fill-Seal and manually fed sealing equipment
- Patented Top-Fill Tamper Evident and "Hooded" systems allow filling around the closure
- Slider integration technology available as part of OEM machinery or as a retrofit on HFFS/VFFS and pre-made bag converting equipment

## Stock Colors

Red, white, yellow, and gold. Other color options available upon request.

Contact one of our slider sales professionals today, and we'll find a solution for virtually any flexible packaging need.

Basic Properties	Target	Minimum	Maximum
Length (in.)	0.570	0.560	0.580
