

FRESH-LOCK® Style 344 Soft Seal® String Zipper

- Presto's new flangeless string zipper is a low-cost way to add the convenience of reclosable zipper to poly packaging
- Addition of Presto's proprietary Soft Seal® layer provides for a high-integrity sealability using less crushing energy to a wide variety of films
- Designed with a package-side indicator post on the male side for error-free feeding and greater package-side holding force

Sealant Layer on String Enhances Flexibility

Now packagers can get the economy of string zipper from one of the most trusted names in zipper technology. New FRESH-LOCK® string zipper with Soft Seal® material with a sealant layer provides enhanced flexibility in film choices.
