

FRESH-LOCK® Style 514 Soft Seal® ME Zipper Unique Audible Tactile Design

- Audible tactile design provides sensory feed back to the consumer that the bag is closed.
- Available in Presto's proprietary Soft Seal® material for a high-integrity side seal using less crushing energy.
- Requires less crushing time and/or temperature, allowing faster converting cycles.
- Easy-to-crush material creates high-quality side seals that won't leak, gap or distort.
- Patented sealant ribs allow lower sealing temperatures that reduce film distortion for improved package appearance.
- Style 514 is available with either clear or colored locks.

Audible Tactile provides the Click 'N Lock™ technology to assure the bag is closed.

The FRESH-LOCK® Zipper style 514 made with our Soft Seal® material and special sealant ribs offers an unique double lock design for your package. The double locks are available in clear or colored. The Soft Seal® material provides easier edge crush and the special sealant ribs lowers sealing temperatures with less film distortion.

Zipper Specification
